

“CREED”

Background info: The founder and current of this TEMPLE is Ras Edward Forchion a practicing Rastafarian who has been prosecuted for his beliefs and practices. Ali Ras I is the spiritual elder/liason here at the Temple. This Temple was opened for the sole purpose of providing a sanctuary for like minded individuals. The Liberty Bell Temple II, Inc. is named after a series of “religious rights protest” in Philadelphia 2003-2004 by The founder Edward Forchion. This was an attempt by Edward Forchion to get a religious rights case into the federal courts, he ingested marijuana at Independence Park, in front of the Liberty Bell. Read about this case: **UNITED STATES OF AMERICA v. EDWARD R. FORCHION, et al., NO. 04-949-ALL UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF PENNSYLVANIA (July 22, 2005)**, Or online: <http://www.ethiopianzioncopticchurch.org/Cases/forchion.aspx>

...Since the Regulation does not forbid Forchion ... from possession marijuana outside of national parks, it creates no impediment to the free exercise of their faith in their homes, their houses of worship, or other non-federal locations....
